

HERA Women's Cancer Foundation Artwork Contest Application

Mission

The HERA Women's Cancer Foundation is a 501 (c)(3) non-profit organization whose mission is to stop the loss of women from ovarian cancer by promoting Health, Empowerment, Research, and Awareness.

Background

HERA was established in 2002 by Ms. Sean Patrick of Carbondale, Colorado after she was diagnosed with ovarian cancer. Ms. Patrick was an avid rock climber, and she began the Climb4LifeSM events to raise awareness about the disease. The Climb4LifeSM weekends are HERA's signature fundraising events, and they are held annually in Boulder, CO, Washington, DC, and Salt Lake City, UT. Funds raised provide for scientific research grants, as well as community grants to non-profit organizations.
